Preface

Welcome to the new world of COVID-19! This has been a year of radical change in so many areas including the publishing of this 16th Edition of the TSHL Directory.

This Directory is prepared for the use of TSHL members and all who supported us in the advertising and reference materials contained herein. It is an effort of love in a very difficult time and has been a collaborative effort by many people to accumulate the information in new ways.

We appreciate all the businesses, elected officials, governmental agencies such as Area Agencies on Aging and others, as well as TSHL members who sold ads, purchased an ad, or made a donation to help publish this Directory. Many hands make the work light.

We thank the TSHL membership for their efforts to make this the best informational tool to provide aging information to the general public and particularly older Texans.

Greetings:

The theme of the 2019-2021 Texas Silver-Haired Legislature biennium is “Now, More Than Ever” indicating the work of TSHL is pertinent, needed, and significant. With the advent of many world changes in 2020, that theme is now more relevant than when we started using it in 2019. The members of the TSHL pictured in this Directory are from most of the 28 Area Agencies on Aging across the state of Texas and represent more than 6 million senior Texans. Our members spend countless hours searching out issues, researching, and writing Resolutions to aid in improving the lives of all older Texans. Then, we present these Resolutions to all state Legislators and advocate for their passage into law. During the most recent Texas Legislative Session in 2018, 25% of our Resolutions were passed in whole or in part by the Texas Legislature, benefiting all older Texans.

Our members are all volunteers, largely self-financed, and assist in raising funds to support the efforts of the TSHL. We appreciate all TSHL members who have sold ads in this 16th Edition of the TSHL Directory. We also thank all those who support the TSHL in any manner, but particularly those who have purchased an ad, Memorial, or Tribute that appears in this edition. Ad sales enable us to print the Directory and to offset expenses of operating a state-wide organization advocating for Texas seniors. Thank you for your support. Directories will be distributed to all Texas state legislators, all Area Agencies on Aging, all advertisers, and many places where older Texans frequent.

I also extend my gratitude to the Editor, Ad Sales Manager, and others who helped produce this Edition of the TSHL Directory. Pat J. Porter, Editor, designed layouts, managed data, edited input, and created content and indexes for this undertaking. The Ad Sales Manager, Mary Jo Collins, encouraged sales, maintained lists of ads and sales of each member, collected the funds from sales, and communicated with sellers and...
purchasers of ads. Then, she ensured that the funds were received by the TSHL Foundation. Others assisted in proofreading and constructing pages. Thank you.

The TSHL Foundation is a 501(c)(3) organization established to raise funds and to financially support TSHL with operating expenses. We appreciate the members of the TSHL Foundation Board led by President Dr. Elise Brazier, Austin, in their endeavors to assist the work of TSHL.

I hope that you enjoy and find the contents of this Directory useful.

Best regards,

Rhonda Rogers, Speaker
Texas Silver-Haired Legislature

History of the Texas Silver-Haired Legislature

The Texas Legislature established the Texas Silver-Haired Legislature (TSHL) in 1985 when Governor Mark White signed Senate Concurrent Resolution 37. The first TSHL Legislative Session was held in 1986. It has continued for 34 years, meeting every two years prior to the Legislature’s regular sessions. Seniors 60 and over are elected to 2-year terms by their peers from 28 Area Agency on Aging (AAA) districts across the state of Texas. The TSHL is a nonpartisan and nonprofit organization composed of up to 123 representatives.

Purpose of the TSHL

1. To promote good government for all Texans through active participation in public affairs.
2. To provide an avenue through which older citizens may serve as a resource to public and private sectors, boards, and commissions that shall complement other senior citizen groups, organizations, and agencies.
3. To develop a non-partisan forum for older Texans to discuss senior citizen issues, debate those issues, and establish legislative priorities for the Texas Legislature to consider.
4. To provide advocacy training enabling TSHL members to continue their role within the community.
5. To provide older Texans an opportunity to become more knowledgeable about the legislative process through involvement.

TSHL Members’ Duties

- Represent older constituents
- Advocate for issues adopted by TSHL
- Take Oath of Office administered by a state official
- Attend all TSHL sessions
- Serve on at least two committees
- Abide by TSHL Code of Conduct
- Support TSHL and TSHL Foundation fund-raising efforts

“The staff was able to see through Dad’s dementia to recognize and appreciate his real personality.”

When the symptoms of dementia affect a loved one, it can be confusing and heartbreaking. Created in partnership with leading universities, Belmont Village memory programs help residents and family members focus on what is there — not what is lost. Through uniquely personalized care and research-based exercises and activities, our specially trained staff provides the structure and support you both need. He’ll always be your dad.

Retirement & Aging
Your estate plan is one of the most critical decisions you will make for protecting your family’s future. Having a Will is a great way to direct where your property goes when you die, however a complete estate plan will contain thoughtfully crafted documents to protect your loved ones in case of disability or death.

At First Financial Trust, we have been in the trust and estate business since 1927 and maintain a well-educated and highly trained staff to assist you through every step of the estate planning process. Visit us today and see how we can put you and your family’s FUTURE FIRST.

Don’t Just Think About Your Legacy, Plan It.

The Texas Medical Association wants to make sure that change doesn’t harm your ability to receive the care you need when you need it. TMA is working on behalf of seniors by:

- Working to ensure access to care for low-income, elderly Texans
- Preserving physician-led team-based care
- Protecting your right to make medical decisions for your care
- Fighting insurance companies to ensure you have adequate physician networks for your care when and where you want it.
